

ISHA SENGAR

+91 9009586990

sengarisha3@gmail.com

New York City Indore

https://www.linkedin.com/in/ishasengar-a8a2b0219/

My career objective is to embark on a journey of continuous learning and skill development in the field of software development. My objective is to continuously expand my knowledge of programming languages, tools, and best practices to deliver high-quality, efficient, and scalable software that meets client and end-user expectations

EDUCATION

Sage University Indore B.Tech with specialization in Artificial Intelligence 2020 - 2024 | 9.15 CGPA

St. Jude's Co-Ed School 12th 2019 - 2020 | 90.8%

St. Jude's Co-Ed School 10th 2017 - 2028 | 94%

SKILLS

- Python
- HTML, CSS (Basic)
- Artificial Intelligence
- Natural Language Processing
- Machine Learning
- Adaptive
- Team work
- Punctual

LANGUAGES

- ENGLISH
- HINDI

EXPERIENCE

Summer Intern May 2023 - June 2023

EduSkills Foundation | Remote

- Acquired foundations of Cloud
- Attained foundations of Machine Learning

Artificial Intelligence Intern Dec 2022 - Feb 2023

IBM SkillsBuild | Remote

- Deployed a project on sign language recognition.
- Python, OpenCV, Numpy.

Winter Intern Nov 2022 - Dec 2022

Suvidha Foundation | Remote

- Done documentation on Natural Language Processing and Text Summarization.
- Natural Language Processing, Python

PROJECTS

Facial Emotion-based Music Recommendation System | Python

- This project make use of a user's facial emotions to recommend them a genre of music to consort with the user.
- https://github.com/IshaSengar/Music-recommendation-system-based-on-facialemotion-recognition.

Sign Language Recognition | Python

- This project make use of a user's facial emotions to recommend them a genre of music to consort with the user.
- https://github.com/IshaSengar/Music-recommendation-system-based-onfacialemotion-recognition.

CERTIFICATIONS

- NPTEL Certification in Natural Language Processing | May 2023
- AWS Academy Machine Learning Foundations | June 2023
- AWS Academy Cloud Foundations | June 2023
- Coursera Getting Started with Python | May 2023
- IBM SkillsBuild Data Analysis with Python | December 2022
- NVIDIA DLI Jetson Al Specialist | May 2023
